Plans Call for Electing, Collecting

At the annual meeting all neighbors are invited to elect four officers, reflect on 2007, look forward to 2008, and share their bounty.

The meeting is set for 7pm, Monday, Jan. 14, at Clardy Elementary School.

Terms of President **Dale Meek,** Vice-President **Bob Hiatt,** Secretary **Jenni Hall,** and Landscaping Chair **Mike Power** expire this year.

Besides talking about accomplishments and plans, neighbors can speak up about what's on their minds.

For the first time, donations will be accepted for Harvesters Community Food Network. The city's only food bank has extra needs after the holidays.

Canned goods (vegetables, fruits, meats, and soups,) and boxed meals, peanut butter, and cereal are needed. Soap, deodorant, shampoo and toilet paper also are welcome.

Pay Now to Avoid Interest

The $250 regular annual assessment is payable by Dec. 31. Amounts not paid by Feb. 1 will accrue interest at 1% monthly, beginning on Jan. 1.

Dues pay for all of the Association's property and activities, including landscaping of common areas, and maintenance, utilities and services at the swimming pool. Much of the labor is done by volunteers, and nearly all social events are self-supporting, so costs are kept to a minimum.

Call Treasurer **Joanne Link** (468-5633) for info.

Maybe Next Year . . .

The home of Bob and Mary Jacobi was a house divided, prior to The Big Game on Nov. 24. Kansas and Missouri Universities' football teams, ranked 2 and 3 nationally, clashed. Bob's Mizzou team won, then lost to Oklahoma. Mary's Jayhawks drew an Orange Bowl bid.
